

YOUR WEDDING INVITATIONS ARE THE FIRST HINT OF YOUR CELEBRATION

Choose an invitation style or theme that best complements your personal taste and reflects the style of your wedding.

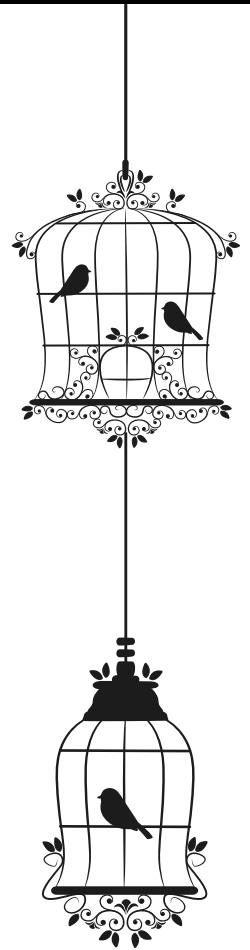

A wedding invitation serves as a preview to the event itself, giving clues about the level of formality and the style of the celebration.

We are committed to provide you with the very best quality WEDDING STATIONERY that is customised to suit your theme and budget. You can choose your wording, colour/s, boards and fonts. The stationery can be printed offset flat or raised (thermography), digitally, letterpressed, embossed or hot foil and finished with a die-cut design.

EACH SET OF STATIONERY IS INDIVIDUALLY CREATED BY OUR **DESIGNERS**

WITH YOUR PERSONAL TASTES IN MIND.

- The website only contains a fraction of our Wedding Invitations Collection. For a viewing kindly contact us for an appointment.
- Plan to place your Wedding Stationery Order at least 4-6 months in advance.
- Ideally invitations are sent 3-4 weeks prior to the wedding. It is suggested to send your invitations to guests living abroad at least 8-12 weeks in advance, allowing them to make the necessary travel arrangements.
- When deciding on the Order Quantity, consider the factor of possible calligraphy errors and last minute guests (we recommend to order at least an extra 25 sets).
