

# ROLL UP BANNERS

## ARTWORK INSTRUCTIONS

- Artwork size: 85cm x 215cm including hidden parts. (refer to diagram)
- Prepare artwork in CMYK.
- Artwork resolution: preferably 150 dpi at full size.
- Allow 5mm bleed all around.
- Do not include important images or text in the grey part of the diagram. This will be hidden in the device.
- Text and fonts: create to outlines/convert to paths.
- No crop marks required.
- Save as pdf or as a high quality jpeg.

If colour is of particular concern, we can provide you with a sample proof. Extra charges will apply for this service.
